

Base11 Innovation Center GRAND OPENING at UC, Irvine

base11.com/event/grandopening/

We are proud to announce the GRAND OPENING of the Base11 Innovation Center at Applied Innovation at UC, Irvine.

Join us for the official grand opening of the latest **Base 11 Innovation Center** located in The Cove at UCI's Applied Innovation.

These state-of-the-art facilities are the energy behind emerging STEM ecosystems, and feature equipment that allows students to design and build almost anything they can imagine.

Hear from Engineering and tech industry leaders and students in Base11's programs about how we can transform students into STEM workers and entrepreneurs of the 21st Century

Featuring:

- Opening remarks from **Landon Taylor, CEO, Base11**
- Special remarks by **Tonie Leatherberry, President, Deloitte Foundation**
- Special remarks by **Al Bunshaft, SVP Global Affairs – Dassault Systèmes**
- Ribbon cutting ceremony by **Richard Sudek, Executive Director, UCI Applied Innovation**
- Tours of The Cove's state of the art facility, featuring an MIT inspired Fab Lab

- Final presentations and demonstrations by students in Base 11's Autonomous System Engineering Academy summer fellowship at the UCI Samueli School of Engineering.
